

# Monitoring EHCP Implementation

The Online Monitoring System

# What is the OMS?

---

- Online system to . . .

Encode,

Process,

View,

Evaluate

. . . data from the EHCP Monitoring.

# How are the data encoded?

---

- Data are encoded at the division level.
- Online system follows the paper form; just encode one question at a time.

# How are encoded data processed?

---

- Program coverage is calculated at all levels.
- Implementation quality is summarized in seven categories.
  - EHCP Supplies, Orientation, Deworming, WASH in Classroom, Water Access, Group Facility, Group Activities
- Overall color codes are assigned for each school and for each District / Division / Region.
